

SUABC

Proposed Changes to the Clubs current legal structure.

Guidance and Information Schedule

Issue to : Club members.

Issue date 17-04-2024

Dear members

Please find enclosed two documents in respect of our proposal to change the current legal structure of the club.

SUABC PROPOSED CHANGES TO THE CLUBS CURRENT LEGAL STRUCTURE. GUIDANCE AND INFORMATION SCHEDULE.

BRITISH ROWING GUIDANCE TO STRUCTURES FOR ROWING CLUBS VERSION 3a 19th AUGUST 2019.

These are important documents which affect your membership of the club. Please take the time to read these carefully.

The documents are hopefully very explanatory. You should read the top document first and then refer to the BR document for further information on the various forms of incorporated structures.

Please contact me direct if you have any questions and I will endeavour to answer them.

Given time is limited at the AGM I would like to answer as many queries as possible before the meeting.

The intention is to vote at the AGM on whether the Club wishes to move forward with changing its legal status.

Regards

Tom Doherty
